

# **Climb Your Mountain**

**By Geoff Lawn**

**I'm gonna need, I'm gonna need your help  
I'm gonna need, I'm gonna need your help**

**For the path is steeper than I can climb  
For the path goes further than I can see**

**I'm gonna need, I'm gonna need your help**

**So let your spirit come  
Give strength so I can climb  
So let your spirit come  
Be light unto my path**

**Want to climb, want to climb your mountain**

**I'm gonna need, I'm gonna need your help  
I'm gonna need, I'm gonna need your help**
