

Climb Your Mountain

By Geoff Lawn

C G
I'm gonna need, I'm gonna need your help

C G
I'm gonna need, I'm gonna need your help

Em G
For the path is steeper than I can climb

Em G
For the path goes further than I can see

C G
I'm gonna need, I'm gonna need your help

C
So let your spirit come

G
Give strength so I can climb

C
So let your spirit come

G
Be light unto my path

C G
Want to climb, want to climb your mountain

C G
Want to climb, want to climb your mountain

C G
I'm gonna need, I'm gonna need your help

C G
I'm gonna need, I'm gonna need your help
