By Geoff Lawn

Verses *Riff* G A D, G A C, G A D C

He will deliver the needy who cry out  
The afflicted who have no one to help  
He will have mercy on the poor  
And save them from death

## *Chorus*

C G/B D  
He will rescue them  
C G/B D  
He will rescue them

## *Riff*

He will

## *Riff*

Well he looks down from heaven  
And he sees those who are crying  
And he fly's down, sits next to them  
He holds them close to his heart

C G/B D  
He will be like rain from the sky  
C G/B D  
Like showers watering the earth  
C G/B D  
The defender of the poor  
C G/B D  
The deliverer to those in need  
C G/B D  
He will rescue them  
C G/B D  
He will rescue them

## *RIFF*
