

Wait on You

By Geoff Lawn

**Time is passing by
Your words still burn in my heart
Still waiting for you to see what you'll do**

**Promises you spoke, all those years ago
Still waiting for you to see what you'll do**

Chorus

**I wait on you x3
What else can I do?**

**Another season passes
Fighting off the worries
But I am still yours
And I hear your call
And I hear your call**

**Looking for your spirit
Listening for the whispers
I open my life
Come fill my heart
Come fill my heart
Come fill my heart**
